## Eneko Llanos and Nicola Spirig, among the best in ITU and WTC rankings

**BH consolidates its position in international elite triathlon through the excellent places of its two sponsored triathletes –Álava-born Eneko Llanos and Switzerland's Nicola Spirig– in the World Triathlon Corporation (WTC) and International Triathlon Union (ITU) rankings.**

The WTC ranking, led by Chris McCormack, has Eneko Llanos in the 9th place. Eneko, who has just turned 34, has been nominated for **Best Basque Sportsman 2010** by El Correo newspaper.

Nicola Spirig has also been nominated for **Best Sportswoman of the Year**, but in her case it is the Credit Suisse Sports Awards 2010. She stands 4th on the ITU Points List, behind Emma Moffatt, Lisa Norden, and Andrea Hewitt. This has not been Nicola's only achievement this year, as she is 2nd in the World Championship Rankings 2010, behind leader Emma Moffatt.
